EFIAP

Hangimiz, içimizde biriktirdiğimiz özlemleri,  
çoğu zaman bir hafta, bir ay, bir yıl,  
daha da kötüsü, bazen sonsuza kadar,  
ertelemek zorunda kalmadık ki, kalmıyoruz ki...

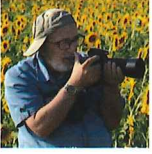

Bazen alıp başınızı uzaklaşın...  
Evinizden, sokağınızdan, şehrinizden...  
Körleştüğünüz, sağırlaştığınız her şeyden...  
Prangalı bir mahkumun, uzaklara gidememek çaresizliğinden kurtulup,  
kırın zincirlerinizi metropol kalabalıklarından kaçın...  
Susanna Tamaro'nun sözünü dinleyin;  
**Yüreğinizin götürdüğü yere gidin...**  
Ötelere... Ötekilere...  
Bu kaçışlar, loş bir odanın kasvetine sığınmaya,  
ve bir erbain durumuna dönüşmemeli asla...  
Hayatımızı kuşatan görünmez sur duvarlarının dışına olmalı...  
Yeni şehirler, yeni sokaklar, yeni dağlar, ovalar...  
Yeni şafaklar... Yeni gökkuşakları...  
Yaşanmamış duygular... Duyamadığımız sesler...  
Göremediğimiz yüzler...  
Keşfedilmemiş nice güzellikler...

**Ah, kimselerin vakti yok / Durup ince şeyleri anlamaya**

Gülten Akın böyle söylüyor İlkyaz şiirinde...  
Heyhat!.. Zaman kum saatleri saygı duruşundayken,  
başına buyruk, katran kıvamında akıp gidiyor sinsice...  
Vaktimizin olmadığı düşüncesiyle uyuşup,  
ertelediğimiz ne varsa, inadına vakit bulmalıyız, bulabilmeliyiz oysa...  
Metropol kalabalıklarında yalnızlık nöbeti geçirenler...

Alın fotoğraf makinенizi kaybolun bir yerlerde...  
Başka iklimlerin yağmurlarında islanın...  
Bazı sabahlar başka coğrafyanın şafağın uyanın...  
Hayatınıza başkaları girsin...  
Başka birileriyle tanışın...  
Yoldan çıkın!..  
Yoldan çıkmaktan korkmayın!..  
Yüreğinizin götürdüğü yere gidin...  
Çünkü siz fotoğrafçısınız!..
